REGISTRATION AND TOURNAMENT FEES: South Valley Water Polo (SOVA) is a non-profit organization administrated by volunteer staff. To remain organized and efficient SOVA uses automated management systems and web based registration and communication systems. We try to avoid receiving cash and checks for registration fees and tournament fees. Coaches are focused on practices and games during tournaments and it is difficult to have them manage the collection of fees as well – plus – accounting is much more efficient and documented when we use the online payment system with less likelihood of payments going unrecorded. These systems have helped us grow and continue to offer quality water polo instruction and experience to our student-athletes.

HOW TO REGISTER: Visit www.sovawaterpolo.com – Click on the Player Registration Link

SOVA ONLINE PLAYER REGISTRATION

ONLINE REGISTRATION AUTOMATICALLY ASSIGNS PLAYER TO AGE GROUP TEAM. YOU HAVE AN ONLINE ACCOUNT TO MANAGE PAYMENT PLANS AND USE TEAM CONNECT FOR CLUB COMMUNICATIONS

HOW FAMILY DISCOUNT WORKS: If you are registering more than one family member the system will automatically calculate \$50.00 off for the second player and another \$50.00 off the third player. The system does not calculate a discount beyond the second and third player.

HOW THE PAYMENT PLAN WORKS: The payment plan is an option you can choose during player registration. The initial payment is \$135.00 with three consecutive payments of \$80.00 auto-drafted on Feb 1st, Mar 1st and April 1st respectively.

REQUEST APPLICATION FOR \$150.00 PARTIAL REGISTRATION SCHOLARSHIP: SOVA must balance the cost of operations and our mission to make water polo available to any student-athlete who has a desire to play. We are a non-profit organization with literally hundreds of volunteer hours invested each year. If the registration fee of \$375.00 per player would cause your student-athlete to not play, please request an application for a Partial Registration Scholarship of \$150.00. To apply, register and select the payment plan. You will make an initial payment of \$135.00. Send an email to: director@sovawaterpolo.com with the name(s) of the player(s) you have registered for whom you are requesting a scholarship. Fill out, scan, and email the application back to director@sovawaterpolo.com. The \$150.00 scholarship will be applied to your \$240.00 balance, reducing it to \$90.00. The \$90.00 balance will be divided into three equal installments auto-drafted on the Feb 1st, Mar 1st and April 1st respectively.
